## MURRAY TYRRELL'S PERSONAL TRIBUTE 2011 HVD HUNTER SEMILLON

SECURE YOUR FUTURE IN GREAT WINE

### HOW DO WINE FUTURES WORK?

Tyrrell's Wine Futures allows the customer to purchase one or more "wine options" at 50% of the dozen value. Tyrrell's then professionally cellar this wine for a minimum of four years.

Upon the maturation of the "wine option" Tyrrell's then contacts the option holder and allows the holder to either:

- a) Take possession of the cellared wine upon payment of the outstanding 50% (the price being fixed four years earlier.)
- OR
- b) Redeem the initial 50% investment at approx 4.5% compound interest, or \$30 per dozen.

### HOW TO ORDER

Simply complete the application form and return it together with an amount to cover the value of the Option you wish to take.

### CONDITIONS OF OFFER

Each Tyrrell's 2011 HVD Hunter Semillon Futures Option\* entitles the registered holder to either purchase the reserved wine in August 2015 by paying the balance of \$150 per dozen, or cash in the Option to Tyrrell's Vineyards Pty Ltd for \$180.00 per dozen in return for their initial investment.

Tyrrell's Vineyards Pty Ltd will ensure that the reserved wine is held under temperature controlled conditions and will notify the Option holder at their registered address at the time of maturity.

The maximum liability of Tyrrell's Vineyards Pty Ltd to any Option holder under this offer is to pay \$180.00 per dozen in the event of any loss or destruction of the reserved wine.

All title and risks in the reserved wine remains with Tyrrell's Vineyards Pty Ltd until delivery. The obligations of Tyrrell's Vineyards Pty Ltd are personally guaranteed by Bruce Tyrrell on terms set out in this brochure.

The Option holder must advise Tyrrell's Vineyards Pty Ltd of any changes to their address. If an Option is not exercised by 31 October 2015, Tyrrell's Vineyards Pty Ltd may treat the Option as having been cashed in and may satisfy its obligations in full, forwarding payment of \$180.00 per dozen to the Option holder's address.

Tyrrell's 2011 HVD Hunter Semillon Futures are not transferable and Tyrrell's Vineyards Pty Ltd will only recognise the interests of the registered holder of the Options.

\*One Option can represent multiple dozens

We unconditionally guarantee the obligations of Tyrrell's Vineyards Pty Ltd to the holder of Tyrrell's 2011 Hunter Semillon Futures Options. We guarantee that the reserved wine will be stored under ideal cellaring conditions to give it every chance to realise its full potential.
